Help Save The Trees with eStatements

In an effort to save paper and trees (and to reduce our costs), we are asking all members to consider electing eStatements instead of receiving your statements in the mail. While, a lot of financial institutions are mandating eStatements and/or charging if you want to receive your statement in the mail, we are NOT doing this. We are asking you, if possible, to change to online statements. If elected, you will receive an email when your statement is available which will be much sooner than ones received through the mail. You can then access your statement and newsletters, via your Virtual Branch account. Statements are available online for over one year.

To elect eStatements, sign on to your account through our online Virtual Branch (VB). If you do not yet have VB, it is easy to enroll and the service is FREE. Visit www.galaxyfcu.com and login to Virtual Branch (or enroll). Then under Self Service, select eStatements and agree to the terms. You can turn on/off electronic or paper statements and also research for previous statements. You will receive an email every time a new statement is available. Thank you in advance for electing this option!

Did you know that we offer Debit Card Alerts via email and/or text for FREE? To register: On our website, under Member Services, select Card Alerts, Click 'Register or Return'; Enter the requested information; Select any alerts you would like to receive and click submit.
