GALAXY FEDERAL CREDIT UNION

Additional conditions and services related to our ATM/Debit Card Program:

You understand that if an area, region, or country or a particular type of merchant is experiencing excessive fraudulent transactions, we have the right to restrict transactions as we deem necessary to protect the credit union and your accounts. If you are traveling to one of these areas, we recommend that you purchase a Travel Money Card which is not tied to your Galaxy account. See any employee for information if you expect to be traveling outside of Pennsylvania and will need access to your account with your card.

If you use your card for online purchases, you may be required to register for Verified by Visa® before an online purchase can be processed. You may do so from the link on our website or during the purchasing process when instructed. The enrollment process is a onetime procedure where you will provide personal information to us, which is then used to confirm your identity in connection with future online transactions or other transactions for which Verified by Visa® is used. Your Registration Data and other personal information is not shared with the merchant. Upon registration, you will be instructed to select a password for use when using your card for online purchases. If you do not successfully register for Verified by Visa®, the merchant may not accept your Visa® card in payment for an ecommerce or other transaction. Verified by Visa® increases security in online transactions and reduces the chances of fraud for those transactions. There is no cost to you, the cardholder, for this service.

You may enroll in Debit Card Alerts at no charge. To enroll, visit our website, www.galaxyfcu.com, and click on the appropriate link. Card Alerts will send consumer selected alerts to the mobile telephone number and/or email address you designate. If you receive an alert for a transaction you did not authorize, contact us immediately to stop fraudulent charges on your account.

Thank you for your membership in Galaxy Federal Credit Union. We strive to offer products and services that meet your financial needs.
